COOLEST TECH SHOW

VIDEO GAME CAREERS, LATEST TECH INNOVATIONS, GADGETS AND PRIZES

DON'T MISS THE FUN, EXCITEMENT & ENERGY

FREE & OPEN TO THE PUBLIC - THIS CONCERT STYLE TECH SHOW WILL BLOW YOU AWAY...

DREAM, CREATE, GO!, PRESENTED BY: MARIO ARMSTRONG

LIVE DJ - VIDEO GAMES - PRIZES - LATEST GADGETS

meet cool techies, win prizes and see how fun technology can really be

Come to this event and see why technology is the coolest ever. Parents this program encourages youth and minorities to pursue Science, Technology, Engineering and Math academics and careers. Produced and developed by Radio and TV tech-media personality Mario Armstrong. This is an interactive and audience engaging event with cool tech demonstrations and hot, new technologies.

Featuring young and inspiring industry guest speakers, discussing new career opportunities like the video game industry. This high-energy, educational and entertaining event attracts youth, commands their attention and infuses them with the excitement, energy and roadmap to be a success in the technology industry. People don't miss out on an opportunity to have your young students life changed.

BORING
